Availability of all hunting areas will be contingent upon the training mission. There will be no hunting on Tuesdays; the Hunt Control Office is closed.

2. All firearms brought onto Fort Knox must be registered with the Directorate of Emergency Services. The completed registration form and a copy of your driver's license must be submitted at the Weapons Registration Office in Building 298, Monday-Friday, 8:00 am - 4:00 pm, or mailed along with a self-addressed stamped envelope to:

**Directorate of Emergency Services
Attn: Weapons Registration Office

A form documenting firearms registration will be provided to the owner and will be valid for three (3) years. The form must be presented at the Hunt Control Office before a hunting permit can be purchased and at Installation Access Control Points when bringing a firearm onto the installation or when requested by law enforcement. All individuals under 18 years of age may only possess firearms when supervised by an adult with a current Fort Knox firearms registration form. For more information, contact the **Physical Security Section of the Directorate of Emergency Services at (502) 624-6118 or 6818** or at:

<http://www.knox.army.mil/Garrison/des/powregistration.aspx>.

The following completed documents **must** be in your possession at all times while in the hunting areas:

- b. Kentucky State Spring Turkey Permit (out-of-state hunters need a non-resident spring turkey permit)
- c. Fort Knox Spring Turkey Permit/tags
- d. State-issued Hunter Education Certificate required for hunters age 12-60. The one-time Kentucky hunter education exemption is acceptable but the hunter must be accompanied by an adult that meets the hunter education requirements above.
- e. Recreational Area Assignment Sheet. Pink copy must be displayed in the lower left corner of windshield.

3. Hunting Area Sign-up will be conducted at the Hunt Control Office by a daily random drawing. Fort Knox hunters are categorized as:

- Tier 1 - Active duty military and their family members (see FK Reg. 200-3 for definition of family member)
- Tier 2 - Disabled veterans with $\geq 50\%$ service-connected disability, designated by the VA, and their family members
- Tier 3 - Retired military, members of the Reserve Components, current or retired Department of the Army Civilian Personnel, and their family members.
- Tier 4 - Members of the general public

*The drawing for Tier 1 hunters participating in the 29-30 March **youth hunt** will be held on 28 March at 0900, Tier 2 at 0930, Tier 3 at 1000, and Tier 4 hunters at 1300. The drawing for Tier 1 hunters for the 5-6 and 12-13 April weekends will be held on 4 April and 11 April at 0900, Tier 2 at 0930, Tier 3 at 1000, and Tier 4 at 1300. Adults **must** be in a position to take immediate control of a youth's firearm at all times and no more than 2 youth hunters may hunt with 1 adult. A drawing to fill in behind kill-outs will be held at 1300 Saturday for Sunday hunting. Hunters arriving after the beginning of the drawing will be in line behind the last person drawn.*

4. Drawings for area assignments for the 14 April - 5 May general season will be held the day prior to the hunt day at 1300 for Tier 1 hunters, 1330 for Tier 2 hunters, 1400 for Tier 3 hunters, and 1430 for Tier 4 hunters, **except** the Friday drawing will be for both Saturday and Sunday. Example - The drawing for Monday will be held Sunday, drawing for Wednesday will be held Monday, drawing for Thursday will be held Wednesday, etc.

5. Hunters registering may sign up themselves and a maximum of 3 other individuals in the same party. Proof of military category must be presented at the time of registration for each member of the party.

6. Sign-up Procedures. One ticket for each hunting party will be given for a random drawing. Write your names on the back of the ticket. When a hunter's number is drawn he/she must be present and show the ticket at the counter when signing into a hunting area. A hunting party found to have more than one ticket per drawing will be grounds for suspension of hunting privileges. Arriving earlier than the times stated above for each category of hunters will not give you a better chance at a hunting area. It is the hunter's responsibility to get a ticket prior to the drawing and ensure that no one else in that group has a ticket.

7. Regulations:

- * The spring bag limit on Fort Knox is **2** male turkeys or turkeys with visible beards. Hunters that harvest a turkey may purchase a second spring turkey hunting permit.
